WEA Fourth Corner UniServ Council

Hello 42nd District constituents.

I have two requests of you.

1.) Ericksen is holding a town hall this Saturday (3/4) at 10:00 am at Meridian High School, 194 W. Laurel Rd. If you can, please plan on attending, and assure that Ericksen hears from you in support of public education.

2.) There will be a hearing on Thursday a Whatcom Superior Court judge will decide if there are grounds to recall Senator Ericksen for not attending to his duties in Washington State because of time conflicts caused by his being busy in Washington DC attending his responsibilities as a Trump appointee to (dismantle) the EPA. If you have experienced any negligence (phone calls not returned, not available for conversation, etc.) because of these absences, please let the people running the recall drive know. Please scroll down for contact information and appropriate forms.

Ericksen Recall Update. Have you been unsuccessful trying to communicate with Senator Ericksen during this legislative session? Emails unanswered, phone calls not returned? Maybe you went to Olympia to meet with him and no show? We need your help NOW. We need sworn statements from as many constituents as possible detailing unproductive attempts to communicate with him this legislative session. Many apologies for asking for this information a second time - last week we did not realize the proper format needed for submitting these claims as evidence. We are all learning a lot through this (very rare) recall process so thanks for your patience!

Please print the attached template and fill it out following the guidelines suggested below. To make this easier and much more fun, fellow Riverters Jackie Caplan-Auerbach and Pete Stelling have offered up their home as a venue to gather and fill these forms out. Please stop by 2229 Henry Street Tuesday, 2/28 anytime between 6-8pm. They will have laptops (or bring your own) and a printer with a full ink cartridge. You can quickly fill out the form, print it, sign it and be on your way. Alternatively, you can fill it out on your own, scan it and email it to Michael Shepard doubledippingdoug@gmail.com
