The Planned Parenthood rally spans a large part of the day...so you can go to march, then to PP.

The PP rally says on their page to come when you can...it's all day, from 11-5pm...the NO DAPL protest is only 11:30-2:30.

I would like to take the peacekeeper training. I will see you tonight at 6 (unless I get arrested asking where Dough Erickson is!)

I have time between 1:00 and 3:00 to help, if you need any. I then have an appointment at 4:00 but will be free after that.
